# BROTHER VALUE PRINT PROGRAM

A managed print solution not only includes the products necessary to support user needs but also combines low operating costs and customer support into a single, predictable monthly invoice.

In partnership with your preferred Brother Authorized reseller, Brother can now offer your organization additional value with expanded device offerings, predictable supply costs and assured support.

The Brother Value Print Program (VPP) is designed for customers who commit to purchase and install Brother laser printers, all-in-ones and scanners along with the requisite Genuine Brother Supplies (toners and drums) for a three-year term.

Brother offers a wide variety of both color and mono devices including printers, multi-function copiers and all-in-ones. The list of qualifying models includes:
